

K-12 Getting Started Guide

Training Resources

Listed from least to most time intensive

[Live Training Webinars \(45min – 1hr\)](#): For all new users, we recommend watching [Quick Start with Qualtrics](#), [Advanced Survey Building & Reporting Your Insights Using Qualtrics](#). These webinars are run by Qualtrics experts with a Q&A session at the end.

[Learn Qualtrics in 5 Steps \(1-2 hrs\)](#): Get an in-depth crash course in Qualtrics from survey building to distribution to reporting.

[Qualtrics Certification](#) Become a true Qualtrics expert.

Contact Qualtrics Support

- 1) Search [Qualtrics University](#) for step-by-step tutorials including videos and screenshots
- 2) Call 24/7 Qualtrics Support at 1-800-340-9194. [Visit our website](#) for international numbers.
- 3) Contact Qualtrics Support through chat or email directly from your account through the [Help](#) button.

Other Resources

[K-12 Innovation Community](#): Read about how other K-12 organizations have used Qualtrics, download templates, and share your best practices with colleagues across the nation.

[Research Best Practices](#): Find researcher-produced content and templates to help you navigate today's biggest challenges and run exemplary, impactful studies.

[Qualtrics Product Updates](#): Learn about new features and products from Qualtrics.
